About us

TOPCertifier (a division of Veave Technologies) is a consulting firm providing business Advisory, Training, Process Consultation, and Certification services. We operate in over 40 countries and have more than 150 consultants and auditors servicing our clients around the world.

We have successfully executed over 5000 projects. Our consultants and auditors come from many different backgrounds and are united by a set of shared values. They deliver certification, with simple documentation and minimal efforts from our customers.

We focus practices, which could increase your bottom-line than just sticking to standard guidelines. All our Customers have reported an increase in sales, brand recognition, employee retention and as a result increased profits due to our certification services.

We handle end-to-end turnkey projects. From advising what certifications would give you maximum return on investments, which certification body to choose, gap analysis, documentation, training, internal audits, and organize external audits. We are your one-stop solution provider.

Global Client Feedback

Your perseverance and enthusiasm were the main reasons we managed to obtain our certification in record time. PCS looks forward to working with you in the future and will unreservedly recommend you to other Companies who may require your services.

David Stock
Managing Director
Process Containment Solutions
South Africa

The most beneficial aspect of the whole service provided is not the actual certification (although it's nice to get confirmation we are doing things right) but the feedback as to how we can do better and improve our systems, customer service, change management and how to properly implement new ideas.

Nick Hunt
Managing Director
